Dance/NYC awarded 100 individual dance makers and 65 dance making organizations/groups through the Coronavirus Dance Relief Fund: New York State Edition, made possible by the generous support of the New York State Council on the Arts (NYSCA). The purpose of the Fund was to continue Dance/NYC's existing relief efforts and mitigate the impact of the COVID-19 coronavirus outbreak on individual dance makers and small-budget dance making organizations and groups with budgets between \$10,000 and \$250,000 based in New York State.

The grantees of Tier I represent 100 individual dance makers from thirty-five (35) counties in New York State. Grantees are majority African, Latina/o/x, Asian, Arab, and Native American (ALAANA) (51%), majority women-identifying, gender nonconforming/nonbinary/genderqueer, and/or transgender (61%), and include LGBTQIA+ (47%), immigrants (28%), and disabled dance makers (13%). A majority of grantees have annual household incomes of less than \$50,000 (87%). Each grantee of Tier I received a one-time award of \$1,500. Given the needs-based nature of this grant, the names of individual recipients will not be made public.

The 65 recipients of the Coronavirus Dance Relief Fund: New York State Edition Tier II for dance making organizations/groups will each receive one-time awards of \$2,500-\$5,000. They are:

Grantees of both program tiers were selected by separate [review panels](#) of representatives from the dance field across New York State and were among a pool of over 374 and 100 New York State individual dance makers and dance making organizations/groups respectively who submitted applications in response to an open call. Additional information on grant requirements and eligibility can be found [at the top of this page](#).
