Juliette Soucie Artistic Director, Dog-Eared Dancers juliette@move-by-design.com

Dog-Eared Dancers needs a dancer, ideally over 40, for an upcoming performance onAugust 13th at an arts festival in CT. Need to be available to travel on Friday August 12th and stay over night for the performance on Saturday @ 3:30pm.
Dog-Eared Dancers are a new dance group comprised of retired dancers, mostly "of a certain age," from different backgrounds...modern, ballet, classical Indian, and musical theater. The gig is unpaid, but all costs...housing, transportation, per diem...is paid for. The piece we need a dancer for is a modern piece--a series of duets and duet variations based on a theme duet. Rehearsals starting this week...somewhat flexible as variations are initially taught separately. Group rehearsals to follow. Must have some time free on either Saturdays or Sundays going forward. Please contact me for more information.
