Darkness Odyssey Part 3: Non-Opera, Becoming

Company: New York Live Arts
Venue: New York Live Arts
Location: New York, NY

Stephanie Berger

Darkness Odyssey Part 3, the final installment of Yamazaki's *Darkness Odyssey* series, is a non-operatic celebration of the act of "becoming otherself." Inspired by writings of Gilles Deleuze and Félix Guattari and butoh pioneer Tatsumi Hijikata's notion of "dance of darkness," the series explores the idea of the body as a black hole. The stage set is designed by award-winning architect firm SO-IL.
