MULAN THE MUSICAL Returns to NYC 6/25-9/13

Company: Red Poppy Ladies
Venue: Ellen Stewart Theatre at La Mama

Red Poppy Ladies

China's world-renowned female percussion group, The Red Poppy Ladies, today announced its return to New York City for a three-month long run of its audience favorite production of MULAN THE MUSICAL. An inspiring journey for the entire family, MULAN recounts the same 1,600 year-old Chinese folk tale made famous by the 1998 Academy Award-winning Disney animated film. By artfully combining dynamic drumming, colorful projections, traditional Kung Fu, and dance, the timeless story of one young girl's bravery is brilliantly reinterpreted into a rich, visual and unique theatrical experience.
