wama5490@gmail.com

EPDT is searching for 2 men, 19- 35, to join the company. We are a small emerging company looking for performers to grow with the company. Those interested should have a strong technique background in modern and ballet and should be comfortable with partnering. Performers should be committed and reliable.

Rehearsals are typically Saturday. We are having a performance Oct 12 and another one in April. There will be other performances but dates have not been determined yet. Performances are paid.

If interested please send a headshot/ resume and dance reel (if you have one) to wama5490@gmail.com.

Auditions are going to be held during rehearsal time. We are in residency in New Rochelle, NY (Westchester). If chosen for the company transportation will be taken care of to get to the space.
