## Free-Standing Barres

Selling 3 Gerstung 8' Free standing ballet barre units with double poplar bars.

Cost: $200 for each ballet barre.

Two independently adjustable barres allow dancers on opposite sides to have their own barres at their own height.
This free-standing barre is the strongest, most rigid, and most easily adjustable portable ballet barre available anywhere.
Can be taken apart in seconds.

The ballet barres have been used 4 times and are in NEW condition. The original cost was over $300.00.
