We are inviting you to dance with Cross Move Lab's company dancers and students

After those tough months of isolation, we would like to share the joy of moving as a group in a safe environment. This class will be held outdoor, in New York City's biggest Park to be able to use the space as much as we want and still respect the CDC COVID-19 guidelines while the weather permits it. We want to make you feel free as much as safe. There will be no physical contact between dancers and always 6 feet between everyone. The mask will be mandatory to attend the class. It is also recommended for you to bring your own hand sanitizer.
