About: Navigating COVID-19 for Immigrant Arts Workers: Rights, Relief and Resources
Dance/NYC, immigrant advocates and legal advisors led a town hall event discussing resources for immigrant dance makers and cultural workers as they navigate the impacts of COVID-19. Panelists provided insight on an arts worker's legal rights as an immigrant regardless of immigration status; resources for undocumented artists and disabled immigrant artists; access to pandemic support with consideration for the Public Charge rule including community-led resources; and advocacy tools for how organisations can support immigrant artists and arts workers.
