Dance/NYC Collecting Studio and Company Closures due to COVID-19

As part of the ongoing Coronavirus Dance Impact Study, Dance/NYC is tracking studio, company and organization closures to gain a better understanding of the financial impact the pandemic is taking on the dance sector. The data will be used to better document this historic time and to advocate for aid to policy makers.

Help Dance/NYC track studio, company and organization closures due to COVID-19.

If you are aware of a closure, send a notification. You do not need to be in charge of the organization, studio, or company to send a notification. Please inform your networks about this effort to compile closures.

SUBMIT STUDIO OR COMPANY CLOSURES:
• EMAIL: Email research@dance.nyc with the subject "Studio and Company Closures"
• SOCIAL MEDIA: Find the post with blue image above and make a comment (consider tagging the studio or company), or send a direct message with a comment or tag. We are collecting responses on Facebook, Instagram, and Twitter.
