Choreographer Needed to Workshop New Piece

Company: Joe Fee Music
Venue: Various - NYC
Location: New York , NY

Joe Fee

Looking for a Choreographer to work with on a new piece for music and dance. It is a cross between Stravinsky's Rite of Spring and my love of certain Asian dance forms like Noh theater/Kabuki. I want to create short dance studies in order to test out my musical material and develop the piece further. Ultimately, the work will exist for the stage and as a short film. I want to film some tests in a studio and also in outdoor natural locations if possible. Please write to info@joe-fee.com to send me a message.

I would like to work on this over the summer as much as I can and hopefully build a relationship with a choreographer that will develop more as the piece gains momentum.
