STREB EXTREME ACTION returns to SLAM with a season of performances, beginning May 10. Audiences can expect to see the premiere of a new Action Event on STREB's latest Action Machine, SURF—a thrilling apparatus designed to evoke the power and turbulence of maverick waves. Don't miss your chance to experience the daring choreography and exhilarating performances that STREB is renowned for.

STREB EXTREME ACTION pushes the limits with its unique blend of athleticism, skill, daring, and the invention of Action Machines. This unmatched approach allows the Action Heroes to employ a new set of motions in space, encouraging complex body discoveries, therefore mysterious forces are harnessed. The company is renowned for its death-defying stunts and high-energy, physically demanding performances that challenge traditional notions of dance and push the boundaries of what is possible. Bring your friends, the family, and experience the fun, grit, and explosive sights of action and innovation.

STREB's 2024 Spring Home Season will be performed May 10-June 2, 2024; Fridays at 7:30 pm, Saturdays at 5 pm and Sundays at 3 pm at the STREB Lab for Action Mechanics (SLAM), located at 51 N. 1st Street, Williamsburg, Brooklyn. General Admission Tickets are \$25 & Premium Seating Tickets are \$50.
