The Brooklyn Conservatory Community Orchestra (BCCO) is a division of the Brooklyn Conservatory of Music, which is celebrating its 126th anniversary serving the New York musical community. Now in our 22nd year, the members of the BCCO feel more keenly than ever the profound joys of playing and sharing some of the world's most beautiful music. Who are the members of the BCCO? One of us may be your child's middle school art teacher, another may be your law professor, and another may be a New York Times food critic. At your local cafe, one of us may be on stage playing bluegrass, while another one of us serves you your coffee. We're your neighbors and friends. We're the BCCO. <http://www.bcco.info/index.html>.
