

SYMPOSIUM PROGRAMMING COMMITTEE

The Symposium Programming Committee exists to advise and assist Dance/NYC in the identification and programming of sessions offered at Dance/NYC's biennial Symposium—and, by extension, further the dance field in NYC. Membership is comprised of Dance/NYC's established Advisory Committee, Dance/NYC Task Forces, one member of Dance/NYC's Junior Committee, Justice, Equity & Inclusion Partners, and additional candidates they identify. Ideal members will have experience in creating, performing, and/or presenting dance in the metropolitan New York City area, share our commitment to revealing, removing, and preventing inequities in professional dance, and represent the demographic makeup of the local population.
