Our Impact

In 2024 Dance/NYC:

- connected 235,000+ cultural workers and audiences to resources and expanded their visibility through our website, Dance.NYC.
- informed 66,000+ stakeholders on updates and key issues for the dance workforce through Dance/NYC e-communications and social media.
- engaged 275+ dance workers through virtual and in-person convening.
- provided over \$900,000 in funds to small-budget dance makers and organizations, ensuring that the diverse voices of our dance community have the resources they need to thrive.

"The thing I love about Dance/NYC is that it is a concrete place for community. There's a website, people to talk to, an email, so we know it exists in a real way. I think community can feel like an idea but it's hard to pinpoint it. I feel like Dance/NYC gives us that pinpoint of community." —[Monica Bill Barnes](#)
