Mission Statement

Art is a voice for change. Now more than ever we must protect it.

Dance On is a campaign that aims to raise awareness, call for the support of the arts, and bring dancers together by giving them a platform to perform through a virtual dance project. If you are a dancer who would like to participate visit the [Dance On website](#) for more information and please consider donating to your local dance company and school and looking into the resources on the website.

Program Statement

In times of crisis the arts are at the frontlines of budget cuts. The effects of Covid-19 have been devastating. As a dancer and choreographer, I cannot let my artform die! The arts are a beacon of hope and voice for change that is especially important now. We must come together to ensure the survival of our art form and keep all our voices heard.
