DISABILITY. DANCE. ARTISTRY. DANCE MAKER DIRECTORY

Thank you for visiting the Disability. Dance. Artistry. Dance Maker Directory. The directory aims to address a gap in visibility of and knowledge about dance workers making and performing dance by and with disabled artists in the metropolitan New York City area. By centralizing listings of these artists on our website, which receives heavy traffic from the NYC dance community, and promoting the directory to dance community members and audiences throughout the five boroughs, Dance/NYC aims to increase awareness about disability, dance, and artistry.

1) Create or Log in to your Dance/NYC account by visiting www.dance.nyc/users_login/logout/

2) Once you've logged in, you'll be taken to your user dashboard.

3) Scroll down and you will find a tab titled "Artist Directories"

4) Check the box for the type of directory listing you would like to create (Disability. Dance. Artistry Network or Immigrants. Dance. Arts. Network

5) Once you've completed the form and uploaded all appropriate media, be sure to check the "published" box before clicking "submit"

6) You will receive a message pop-up that reads "Success!" and your listing will now be live on our website.
