Seeking women of Middle Eastern decent for a movement-based performance piece titled "Nature vs. Nurture." In the piece the women will be placed on pedestal-like tables and "displayed," much like in a museum. Must be able to stand and/or move very slowly for long periods of time and have good muscle control. A dance background is helpful but not required.

Specifically seeking women who are sure of their ancestry and can identify their (or parents') country of origin.

Interested parties should send an email to sarah (at) sarahdahnke.com indicating their interest and country of origin. Please also attach a photo and indicate any previous performance-based experience. A resume is not necessary.

There is currently no pay for this project, but paying opportunities may arise in the future as the project moves forward.
