CALL FOR ARTISTS:

SITE - SPECIFIC WORKS

Application Deadline: Postmarked August 15, 2010

WHITE WAVE's 2010 DUMBO DANCE FESTIVAL runs concurrently with the DUMBO Art Festival, which transforms our distinctive waterfront neighborhood into the single largest urban forum for experimental art in the United States. The DUMBO DANCE FESTIVAL features exciting new work from dance artists in Brooklyn's vibrant contemporary dance scene, on a bill with rising choreographers from throughout the United States, Europe, and Asia. In celebration of our 10th anniversary WHITE WAVE is proposing a series of site-specific dance works to be performed in seven outdoor spaces throughout DUMBO during the Festival.

To request an Application, Project Description/FAQ and Site List from WHITE WAVE email us at:

ww10ddf.site.gmail.com.

WHO CAN APPLY: Ideally we would like these pieces to be collaborations between dancers, movement artists and multimedia artists of all kinds: musicians, composers, fashion/costume designers, video artists, photographers etc. You may apply as collaborators or as individual artists who we will match together. We are primarily a dance festival but are open to creative applications from artists in different media who can make a strong case for the way their work would fit in a dance context.

WHAT: Be imaginative. Your proposals will be reviewed, selected and curated by a committee headed by Young Soon Kim, Artistic Director of WHITE WAVE. These outdoor sites are presented raw—i.e. no built stages, sound systems, lights, electricity. All production value for the site specific pieces will be self-generated. Successful applications will propose flexible performances that are adaptable to shifting circumstances and enthusiastic about the creative potential of collaboration with other artists. Applicants are encouraged to present new work. If appropriate, some pieces may also be considered for inclusion in the 2010 DUMBO DANCE FESTIVAL Grand Finale at Fulton Ferry Landing.

WHERE: The seven sites are situated within two designated areas; the Brooklyn Bridge Park (near the entrance at Washington and Plymouth Streets), and along the Pier 1 waterfront (entrance at Old Fulton and Water Streets) in DUMBO Brooklyn.

Brooklyn Bridge Park (Entrance at Washington and Plymouth Streets):

Site One, City Park Beach
