Hello, friends. I am an up and coming goth-electronica recording artist seeking enthusiastic female dancers for my upcoming video (filming in two weeks.) No pay, but the film shoot will be catered. More information is posted below:

Hi there. My name is Alia Lorae, and I am a goth electronica recording artist. The reason I am contacting you is because I soon will be shooting the music video for the first single off my new album. The song is entitled "Modern Monsters", and you can listen to it here: www.myspace.com/aliadorae. Also, check out my website at www.aliadorae.com. We will be shooting the video on Saturday, August 21st at the club Antik, in the Bowery (see link below). I am seeking interesting and attractive people to appear in my video, who can provide their own costumes and make-up. I only need people for the last scene, which is a live-in concert/club scene, and is meant to feature characters dressed in gothic carnivalesque style outfits. If you want to impress, dress your best. As the day grows closer, those of you who would like to participate will receive all the necessary details – location and time. For those of you who are not aware, or who have not been to NYC since September 11th 2001, all office buildings now require state issued photo ID upon entry, and because there will be so many people coming to the film shoot, due to insurance, all bags will be searched. Also, keep in mind that you will have to sign a release form. Hope you can attend – it will be a lot of fun!

Sincerely,
Alia Lorae
