We're looking to feature one dancer/model for a Brooklyn designer's video look book. The inspiration for the video is Anna Karina in Roller Girl (<http://www.youtube.com/watch?v=owhbipZnuCg&feature=related>). We are looking for someone with a background in modern dance and ballet and most importantly, someone who can convey confidence while also being quirky and flirty.

Turnaround time for this is very tight - shoot will most likely be on Tuesday, September 14th, so we are looking to meet with dancers as soon as possible.

This position is unpaid, but the designer is currently receiving substantial press and we will be doing a lot of PR around this video for her fall collection. The dancer is the only subject in the video, so it's a great opportunity to add to your reel and showcase your talent.

To schedule an audition time, please submit your headshot, measurements and a link to your reel if you have one.

Thank you! Looking forward to hearing from you.
