We are looking for Submissions for Installations or Performance Vignettes, Collaborations, Volunteers, and Materials for HALLOWEEN CARNIVAL: an interactive performance piece and party that asks the audience & participants to express their hidden desires, face their inhibitions, and explore other worlds.

Our primary interest is creating an interactive performance Installation and party that asks the audience & participants to express their hidden desires, face their inhibitions, and explore other worlds (we are not interested in making a Haunted House or having any ghosts or vampires).

Learn more and how to apply at <http://www.rednovae.org/halloween2010submissions.html>
