We will be holding auditions for KCDC's first and second companies, as well as the exclusive MASA Dance Journey training program.

The MASA 'Dance Journey' program will provide classes in ballet, contemporary dance, KCDC repertoire as well as new creations. Since its interlocked with the Kibbutz Contemporary Dance Company, it will give dancers a platform to work with the director of KCDC, Rami Be'er, the staff, and dancers of the company. Therefore it not only presents dancers with a unique opportunity to live and dance in Israel, but most importantly it can act as a springboard to join either the First or Second Company of this world famous dance troupe.

We have sizable grants and scholarships available to qualified dancers.
