Terra Firma Dance Theatre presents Forsythe Workshop with Natalie Thomas (Ballett Frankfurt)

Come and experience an exhilarating and innovative workshop led by Natalie Thomas (BALLETT FRANKFURT) in conjunction with Terra Firma Dance Theatre.

Dance alongside artists of Terra Firma Dance Theatre (TFDT), Dutch National Ballet, North Carolina Dance Theatre and other leading companies as we delve into this unique opportunity to explore the improvisational techniques and modalities of William Forsythe, based upon the work that Natalie did as a lead artist with Ballett Frankfurt. Fun, challenging and risk-taking, you will move in ways never before experienced as you are challenged physically and technically.

TFDT Artistic Director, Mr. Loungway (SAN FRANCISCO BALLET) will conduct a morning technique class and will be seeking dancers for future projects/engagements and touring including: Jacob's Pillow; Rutgers University and other engagements.
