► [Share](#) | [Print](#) | [Download](#)

Matthew Westerby Company is seeking an apprentice dancer to work with the company in rehearsal this fall. This position would suit a recent college graduate or a currently enrolled student.

The company apprentice would work with the company during the creative process of making a new work this fall beginning September 1, with a twice-weekly rehearsal commitment. The apprentice would also work with assigned roles within the existing repertory. Unfortunately this position is unpaid.

Would suit either male or female dancer. Check out our website (www.matthewwesterbycompany.com) and/or our Vimeo page to see what we do. Please email with a brief statement of interest and a resume/bio.
