YUNG-LI DANCE is looking for company members to join our 2011-2012 season and future projects. Candidates with exceptional dance training, extensive performance experience and who are comfortable with improvisation are encouraged to apply.

Our Artistic Director, Yung-Li Chen, will select candidates from her two weeks workshop as the modern dance guest artist at Dance New Amsterdam. In each class, students will learn the company warm-up phrases, style/technique combinations, and a new repertoire piece. If you are interested in learning dance techniques with Yung-Li, we encourage you to attend one of these four day classes, which will also serve as an opportunity to audition for the next YUNG-LI DANCE performance. Be prepared to shine in the studio and on the stage!

Please bring your resume and headshot to class or send via email to info@yunglidance.org
