Our second audition is fast approaching!

Dancers and choreographers wanted for Long Island Dance Project's 2011/2012 Fall and Spring season. We are a new eclectic modern dance company based on Long Island. LIDP utilizes modern, ballet and jazz techniques to create a unique and fresh contemporary style. Our faculty and choreographers are professionals working in NYC and Long Island School of the Arts alumni.

Rehearsals on Saturdays are easily accessible by train (no car necessary) and will culminate in a May 2012 performance at Adelphi Olmsted Theater. Additional performance opportunities and amazing master classes in the works. We also offer affordable weekly technique classes to all company members. LIDP works to unite the dance community in New York and create a positive atmosphere for dancers to grow, excel and network within the field.

Choreographers: submit reels/clips to audition your work to be showcased in LIDP Performances.

All ages are welcome to audition.
