The Muse is Brooklyn's newest aerial dance space, but we need your help to make it a reality. We are currently transforming a warehouse in Brooklyn into a gorgeous aerial studio/performance/party venue as well as living quarters for six residents. We need workers this week and through December who can help with construction. We're looking for plumbers, electricians, and helping hands to craft this new and exciting space.

We will exchange space rental, party tickets, aerial lessons, hand-balancing lessons, dance lessons, Muscle Activation Technique sessions, and more for your labor or expertise in construction.

Are you interested in learning to fly? Do you have a friend or relative who would love to learn some circus skills? Do you know a dancer/choreographer who's looking for space? Come by and help us out and we'll set up an amazing trade with you.
