Looking for versatile dancers who want to hair whip like a Pussycat doll, shimmy like a GoGo dancer, smile like a Rockette, do the splits like a chorus girl, and sex it up like a video vixen. Hunnie Kabaret dancers are a blend of sweet and sassy. We perform in clubs, theaters, and bars. Most gigs are paid (\$15-\$50 per gig). Rehearsals are weekly (Saturdays, late afternoon, usually no more than 2 hours). We are looking for dancers who are willing to work hard to go far with this troupe. We have no room for Diva's or those with body images issues. Be confident in who you are and let it shine on stage. Singing and acting ability a plus.

Note: costumes often consist of corsets or mid driff baring tops and booty shorts or mini skirts.

Auditions are Saturday, November 12th, 2011  
Midtown Manhattan 4pm
