Hello!

I am a NYC based artist/director looking to collaborate with a great male dancer/actor/mover/model for a short fashion film/music video. The movement will be simple, expressive and fun. The piece is being produced for an up and coming music artist releasing her album later this month.

It is a great opportunity to meet and create with great people, and be prominently featured in a short piece that will be beautifully shot and released through publicist.

Time commitment is short - one rehearsal and a 4-6 hour shoot, during the week of January 22.

Please send your headshot and movement experience!

I look forward to hearing from you!
