unDISCOVERed Dance is currently seeking a talented videographer for two upcoming projects. We need someone to come and videotape portions of weekly classes on Fridays from 11:30-1, as well as someone to work on filming a dance concept video in March/early May. This is a great opportunity to get experience and footage filming dance/movement as well as a music video/short film. Great for dancers looking to expand into reel services/dance film or film students looking to gain experience filming active movement in a documentary style as well as a fully produced/directed short dance film. MUST have own equipment and editing skills are greatly appreciated!

Willing to discuss work in trade for free classes and possible pay down the road.
