AbstraKT BEINGS is a non profit company in Long Island, New York. The company is comprised of dancers from all over the tri-state area and further. We are having auditions this coming Friday, May 18th at 5PM.

We are looking for dancers who are hoping to take a step into the professional world. We are also looking for dancers who have choreographic abilities and are looking to take their work to the next level. To us, it doesn't matter how far you are away from NY, it matters how dedicated you are.

If you cannot attend you can email us a video submission before 5PM Friday. Must show you dancing in 2 styles of your choice (more info is on the link above).

Within AbstraKT's first year we have helped our dancers book jobs such as Good Morning America, Ivivva Athletica commercials & Music Videos. They have performed at shows such as Rhapsody's Sirens After Dark, BDC's AIM Invitational & Sybarite. They have been acknowledged as a Choreographers Pick at The Pulse: On Tour in Atlantic City. And our choreographers in the company have done work for studios in NY, New Jersey, Connecticut & Pennsylvania. We put in a great deal of time to put our company members right in the heart of the dance industry.

We would love for all to come join us at our auditions! Bring headshot & resume!
