theAOMC is holding one final audition on Friday June 1st from 3-5pm at DANY Studios (305 West 38th street at 8th ave) to fill the remaining positions for our 20-person extended cast of *barrish*, which will premiere at HERE July 12-14th this summer. People of size, queers, people of color, actors, men, and non-traditional performer types encouraged to audition. ALL are welcome. You don't need to be technically trained--we're just looking for people comfortable kissing, moving, bearing weight, and learning quickly.
