E-V-E-R-Y-O-N-E, an evening-length epic/operatic performance with a cast of 27 dancers, actors and singers, was developed over 2 years by choreographer Daria Fain and poet/architect Robert Kocik under their research collaborative [Prosodic Body](#), which has existed since 2006 and has created 5 repertoire works.

We are currently seeking an administrative intern to work with our engagement coordinator for approximately 6-10 hours/week in preparation for the performance. In exchange for work, Daria Fain can offer *freechi kung* classes.

Responsibilities will include PR assistance, creating spreadsheets, outreach and light fundraising research.

We hope to hear from you!
