Space Available / Share Studio Space

If you would like to see it or if you have any questions, please contact me to 917.775.4035 or mariola@nocheflamenca.com.

► [Share](#) | [Print](#) | [Download](#)

The space is an office space inside of Pentacle. It would be \$500/mo. It is 1/2 of an office and would be shared with another artist. There is plenty of room for 2 people and you might be able to squeeze a third if necessary.

You would have to supply your own phone. You could probably work out a deal with the other artist to piggy back on his wireless - or you would need to supply your own internet. There is a built in desk the width of the space with some wraparound.

There is a conference room which you can sign up for (on a first come, first served basis). There is a refrigerator and a locked private bathroom. It's possible set you up with an account code so you can share the postage meter, fax machine, copier and scanner.

The space would be available July 1.

If you would like to see it or if you have any questions, please contact me to 917.775.4035 or mariola@nocheflamenca.com.
