We're all about support for dance writers and bringing writers together with dance artists, advocates, fans and the general public in new, creative ways. We welcome smart, talented, responsible interns to our Leadership Circle. We offer a wide diversity of projects guaranteed to enhance your skills and connect you to the movers and shakers of New York's amazing dance community.

From Web site management to event coordination to public engagement, there's much to do and enjoy. Interns (or retired, long-term volunteers) with fiscal management skills are especially welcome.

For an application, contact Eva Yaa Asantewaa (CollectiveDWNM founder) at collectivedwnm@gmail.com. We look forward to hearing from you!
