I am producing yet one more in the endless series of promotional videos for Shen Tao Studio.

The shoot is scheduled for Wednesday, October 3 – Friday, October 5.

The shoots will run from 10:00 a.m. – 8:00 p.m.

The content of the shots is either demonstrating the use of Shen Tao's newest piece of equipment, or a simulated workshop format where I'm teaching people how to use the equipment.

There will also be shots of people learning how to give Bodywork.

The recording will be shot against a white background, with high contrast sidelining. The aesthetic, and quality will be similar to that of the videos which are currently on my website (www.shentaostudio.com).

In terms of compensation, I can offer you food, cash, and/or a barter arrangement for my services.

You of course would be welcome to use the footage for promotional purposes of your own work if that is helpful for you.

Please let me know if you're interested/available. If so, please let me know which dates, times you might be available.
