CALL FOR USHERS at DNA!

Interested applicants to the Head House Manager e-mail address: dna.hhm@gmail.com

► [Share](#) | [Print](#) | [Download](#)

DNA is looking to expand its Front of House work-study program this season. We are looking for dedicated people to join our Front of House team to house manage, usher, and lead opening-night receptions in the gallery. Responsibilities differ per position, but we work to make each shift a rewarding and community-building experience.

Compensation: House Managers are eligible for one free class at DNA per hour worked and they have the opportunity to watch the show that evening for free; Reception Managers receive one free DNA class per hour worked; Ushers receive one discounted (\$6) class per hour worked or they may stay and see the show for free.

Interested applicants to the Head House Manager e-mail address:
dna.hhm@gmail.com
