My name is Sheennah, I am a new and emerging choreographer seeking dancers to put my work on. I have been trained in Ballet, Modern, and Jazz and went to Long Island University where I studied dance with a concentration in choreography. I am currently teaching at two studios in Long Island.

I am looking for dancers trained in Ballet, Jazz, and Modern. This is an UNPAID position, with performance opportunities. I will pay for studio space. Dancers must be available to rehearse during the day, from noon-2pm. Dancers also must be professional, punctual, patient, and a team player. You must be able to travel to Long Island and around the city. Again this is an UNPAID position, I am planning on presenting my work in showcases in and around the city.

If you are interested, please contact me via email at sheennah423@yahoo.com.

Thank You!
