"In the League of Gods" is a series of shorter dance pieces, tableaux, videos, art exhibits, and the like, culminating in a full-length multimedia production at the end of Summer 2013. Funding to pay the participants will come through Kickstarter/Indie-GoGo campaigns, ticket sales, donations, and sale of artwork. We will explore ancient mythology in an analogous context of modern story-telling and art. This is for me a passion project and a labour of love. Like-minded individuals are encouraged to submit.
