My name is Erin Pryor and I am an emerging choreographer starting a dance theatre company that will specialize in Site specific performance but will not be limited to this.

We are currently seeking male and female dancers 19-35 to grow with the company. The company is looking for committed, well rounded dancers who are comfortable using their voice and who have a strong background in contemporary and ballet. Technically advanced dancers from all styles of dance are encouraged to attend.

The company members will work closely with communities and individuals to create works. Due to the location of the first pieces performers must be comfortable traveling to Westchester a couple times a month.

Auditions will be held Sunday March 3.

Performers who are interested please submit a headshot/resume to wama5490@gmail.com.
