The A.O. Movement Collective, a Brooklyn-based performance company, is in need of a publicist!

We're looking for representation for our current project, a multi-output creation spanning the new two years. Our ideal candidate would be familiar with a wide range of arts communities, from dance to performance art to digital arts and beyond, and would be excited to work ravenously and creatively to promote our current genre-bending multimedia-performance project. Contacts in feminist, queer, digital, sustainable business, and sci-fi communities a plus. Ability to work tirelessly for a group you believe in a double plus.

If this sounds like you, please send us an email that includes:

A little bit about you, and why you love what you're doing (if you don't that's okay too...just be honest!)A little bit about why you'd be interested in working with us, and feel that you could represent us wellYour general rate(s)Link to a website, if you have one

We'd love to set up a meeting with us to discuss the possibility of working with you!

All the best,

the AOMC
