I am seeking 5 performers to sit with their knees in their chest for 30-90 minutes inside the gallery space during an art opening. The work will be physically demanding and rewarding, and can be thought of as a meditation. The performance investigates the mystery of death through abstract movement and imagery and will be presented in conjunction with a video installation.

You must be available from 3:30pm-8pm on Friday April 5th for the rehearsal and performance. A small stipend of \$30 will be paid to each performer upon completion of the performance.

Please email or call immediately if interested. All casting will be completed by Monday the 1st at midnight and a brief phone interview is required which can be scheduled at your convenience before the 1st.

More information on the artist and past works can be viewed at [christinasukhgianhoule.weebly.com](http://christinasukhgianhoule.weebly.com)
