"one of the hottest companies in America." – *Portland Stage Reviews*

Northwest Dance Project - 2013/14 season.

Our LAUNCH Project serves as an audition process for the company.

Competitive Contract | Employee Position

LAUNCH: 8 JULY 9 to 20 / 2013

LAUNCH dancers must demonstrate advanced ballet technique, be versatile and movement oriented, be open to artistic direction and suggestion, and be explorative and highly professional.

Participation in LAUNCH is selective and limited in order to provide each dancer the opportunity to work directly and intimately with our guest artists.

All interested dancers must apply and audition in-person for the project unless they have participated in a previous LAUNCH Project within the last two years. Dancers who have participated in LAUNCH in the previous two years can apply without auditioning.

Due to the very limited number of positions for this project, preference is given to those who attend our audition
