Choreographer For Short Film

thewavesfilm@gmail.com ▶ Share | Print | Download

The Waves

A short film to be shot in early May is seeking a choreographer for a sultry, partnered dance sequence for 8 to 12 couples. The actors have basic dance background so the movements must be simple, repetitive and mimic a ballroom style. The dancers will represent ocean waves. We will have a one to two hour rehearsal to learn the dance before shooting.

Offering \$100 compensation for rehearsal and one day of filming plus film credit.
