2nd Floor Studios

Dancers will participate in a group audition that will include a variety of techniques. No material needs to be prepared beforehand nor does a student need to have experience in every technique in order to audition. Dancers should come in appropriate dance clothing that is form-fitting and should bring ballet and/or jazz shoes if they have them. Callbacks consist of a short interview and the chance to perform a short solo (less than one minute) of material they feel confident performing.
