► [Share](#) | [Print](#) | [Download](#)

Stamp Brothers Productions is mounting what promises to be the summer's most exciting non-union production: George Bernard Shaw's *Pygmalion*.

We are looking for a talented and original Choreographer with both classical and modern training. We hope to blend the two eras of dance together into an exciting new vision of this classic play.

We plan to rehearse mid May through June and then perform every Friday, Saturday, and Sunday in July. So availability in that time frame is a must.

We are paying a flat fee of \$250 dollars.

So if you are interested, please contact us at StampBrothersProductions@gmail.com to set up an interview.
