mishiDance is looking for a ballet/contemporary/modern dancer to partner a girl who is about 5'6". Performance is at the Ailey Citigroup Theater August 16-17. Rehearsals are usually Saturdays 1-4pm or 10am-1pm.

We perform an average of once every month or 2, so this opportunity will definitely lead to future performing opportunities with the company. mishiDance is a great group of kind, thoughtful, responsible dancers, and I'm looking for someone who would fit in with our fun but professional rehearsal process.

College students and recent grads encouraged to apply.

Please send your resume, dance photo, and video links (if you have them) by May 16th, and I'll invite you to a rehearsal if I think you're a good fit.
