*Into Sunlight* was inspired. It premiered at the University of Wisconsin, Madison, and Hofstra University, New York, where it served as the centerpiece for interdisciplinary conferences exploring the impact of war and violence, and the integrative power of art. The project has received broad acknowledgment and praise. Plans are underway for a documentary film. To learn more about the company and the project visit [robinbeckerdance.org](http://robinbeckerdance.org) and [intosunlight.org](http://intosunlight.org).
