The Muse is built on the support of all of our volunteers and is very community based. Our doors are always open to anyone with the desire to create, grow, and run away with the circus...Work study is a great opportunity to be a part of the community, while being able to take classes and train at more affordable costs. If you or anyone you know might be interested in a position as a work study, or would like further details, please send an email with the subject "WORKSTUDY" to themusebrooklyn@gmail.com
