Performing Arts Center located in Hoboken, NJ is now hiring a ballet instructor to start immediately to teach dance to toddlers and children, and one adult class as well. Must be excited to work with small children as well as adults. Beginner to intermediate ballet ages 2 through adult (most classes are for children up to age 10). Must be able to teach basic tap as well to toddlers. Classes are held on Monday afternoons and evenings and Tuesday mornings. Must be legal to work in the US. Must have a degree or professional performance experience. Please submit headshot and resume. We are conducting interviews early this week.
